

Infant and Toddler Montessori Teacher-Guide Education Course

This is just good news!

We have been “finally” approved by the Ministry for our new Infant and Toddler Montessori Teacher Training Program.

This leads to a full Montessori Teacher Diploma for Infant and Toddler. MACTE accreditation is already in process!

Created by Dr. Daniel Jutras, the course is made for teacher candidates who want to work in a Montessori School with infant and toddler children (18 months to 3 years old).

The training location is at Downtown Montessori School, 26 Grand Trunk Crescent, Toronto, Ontario, close to the CN Tower.

This is an intensive part-time course that runs on Saturdays from October 27th, 2018 to Saturday June 9th, 2019, 9:00 am to 5:00 pm.

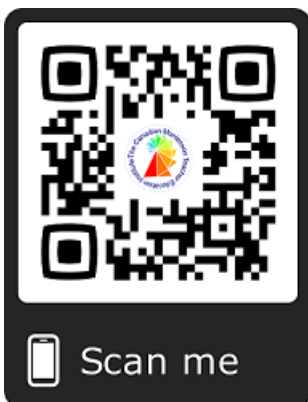

For more information feel always welcomed to visit our website or contact us.

“There is in the child a special kind of sensitivity which leads him to absorb everything about him, and it is the work of observing and absorbing that alone enables him to adapt himself to life. He does it in virtue of an unconscious power that exists in childhood...the first period of the child’s life is one of adaptation.”
